

**Receive a FREE
Soil Science &
Fertilizer Fun Box for
your 5th/6th Grade
Classroom!**

**Enter for your chance by May 9th at
www.mcgregor.com!**

**Seven lucky schools will receive a free
Soil Science & Fertilizer Fun Box for
their 5th/6th Grade Classrooms.**

The Nutrients for Life Foundation (NFLF) asked for industry sponsorships for Fertilizer Fun Boxes for classrooms around the nation.

The McGregor Company has chosen to sponsor seven boxes, and your 5th/6th grade classroom could be a lucky recipient!

It is our hope that your classroom utilizes this box to recognize and learn about the importance of healthy soil, soil nutrients and the value it holds in feeding our world!
