Advanced Formula

Nonionic Surfactant for Agricultural Sprays

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes skin irritation.
Causes eye irritation.

Precautionary Statements

Wash thoroughly after handling. Wear protective gloves, eye and face protection. Do not eat, drink or smoke when using this product. If on skin: Wash with plenty of soap and water. If in eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Call a poison center or doctor/physician if you feel unwell. If eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Storage: Store between 40°F and 120°F. Store in a dry place. Store in a closed container. Store in original container only. Keep container tightly closed. Do not allow water to be introduced to this container. Avoid contact with aluminum, copper, zinc or mild steel containers or surfaces. Do not use or store near open flame.

Disposal: Do not reuse empty container. Triple rinse or equivalent during mixing and loading and add rinsate to spray tank. Recycling decontaminated containers is best option for disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit www.acrecycle.org. Dispose of contents and container in accordance with local/national regulations.

General Information

M-90 Advanced formula is a nonionic surfactant formulated for increasing the efficacy of various agricultural and horticultural spray applications.

M-90 Advanced Formula should be used where wetting and uniform coverage of the spray is required.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Not For Aquatic Use

Directions For Use

Before using M-90 Advanced Formula, always read and follow all label directions, mixing instructions and precautionary statements of the pesticide label that is to be tank mixed with this product. M-90 Advanced Formula is not for aquatic use.
